Zonage

Zone d'assainissement collectif

Zone d'assainissement non collectif

The map displays the sewerage infrastructure for Saint Sorlin d'Arves. Key features include:

- Collective Sewerage Zone (Zone d'assainissement collectif):** Indicated by a solid pink shaded area covering the central urban core.
- Non-collective Sewerage Zone (Zone d'assainissement non collectif):** Indicated by dashed pink outlines in peripheral areas.
- Wastewater Pipes (Canalisations eaux usées):** Represented by solid red lines.
- Rainwater Pipes (Canalisations eaux pluviales):** Represented by solid green lines.
- Topography:** Contour lines show the terrain's elevation, with the town situated in a valley.
- Water Bodies:** The 'Lac de la Ville' and 'Lac de la Chapelle' are shown in blue.
- Infrastructure:** Roads, paths, and the railway line are depicted in grey.
- Legend:** Located in the bottom left, defining the symbols for pipes and zones.
- Scale and Orientation:** A scale of 1/2000 and a north arrow are provided for reference.
