

SCHEMA DE GESTION DES EAUX PLUVIALES
ANNEXES SANITAIRES AU PLU - VOLET EAUX PLUVIALES
Diagnostic hydraulique

The diagram illustrates two types of overflow. The top part shows a blue triangle with a downward arrow and the word 'INONDATION' below it, next to a blue hatched rectangle labeled 'Zone inondable'. The bottom part shows a yellow triangle with a downward arrow and the word 'DÉBOULEMENT' below it, next to a yellow hatched rectangle labeled 'Débordement'.
