To the left of the road is a grassy field with some bare trees and a fence line. To the right is a dense thicket of bushes with reddish-brown leaves. In the background, there are rolling hills covered in autumn-colored trees. Several high-voltage power line towers are visible on the horizon under a cloudy sky. A small orange and white marker is visible on the right side of the road in the distance.

A small cluster of buildings is visible on the lower slope of the hill.
