Zone en assainissement collectif

Zone en assainissement non collectif comprise dans le zonage constructible du PLU

Le reste du territoire communal est en zone d'assainissement non collectif (zone blanche).

This detailed map shows the 'VALLON DE LA LANCE' area at a scale of 1/2500. It features several parcels highlighted in purple, indicating they are in the non-collective sewerage zone. The map includes labels for 'LES COMPERES' and 'LES COUX'. Various infrastructure elements like roads, rivers, and utility lines are shown. The map is titled 'VALLON DE LA LANCE - 1/2500' at the bottom.

This detailed map shows the 'LE VILLAGE' area at a scale of 1:2500. It features a large central area highlighted in blue, indicating it is in the collective sewerage zone. Surrounding areas are highlighted in purple, indicating they are in the non-collective sewerage zone. The map includes labels for 'CLOT LA ROCHE', 'SUBREVIALE', 'CASAQUE', 'CHATUSSE', and 'BARCHI'. Various infrastructure elements like roads, rivers, and utility lines are shown. The map is titled 'LE VILLAGE - 1/2500' at the bottom.

This overview map shows the entire commune of Saint Nazaire le Desert. The commune boundary is outlined in black. Several locations are marked with purple icons and labels: 'LES CHAUVINS', 'LE VILLAGE', 'VALLON DE LA LANCE', 'FERME DE PETIT LOUIS', and 'FERME DE CLAMENIER'. The map is titled 'LE VILLAGE - 1/2500' at the bottom left. Two inset maps are included: 'LES CHAUVINS - 1/1000' in the top right and 'FERME DE PETIT LOUIS - 1/3000' in the bottom right.
