Prise de vue 2

A wide-angle landscape photograph. The foreground is a lush, green field of grass, slightly sloping upwards. In the middle ground, there is a dense line of trees with autumn-colored foliage (browns, oranges, and yellows). Beyond the trees, rolling green hills are visible under a cloudy, overcast sky. The text "Photo 2" is overlaid in the upper center of the image.

Prise de vue 3

A landscape photograph taken from a slightly elevated position. On the left, a large, mature tree with a thick trunk and branches covered in yellow and brown autumn leaves dominates the foreground. The ground is a mix of dark brown soil and patches of green grass, with some fallen leaves scattered around. In the middle ground, a wide, flat grassy field stretches out. In the background, a line of trees marks the edge of a forested hill under a grey, overcast sky. The text "Photo 3" is overlaid in the center of the image in a white, sans-serif font.

Photo 7

A landscape photograph taken from a slightly elevated position. In the foreground, a dirt path with patches of green grass leads from the bottom center towards the middle ground. The middle ground features a small, calm pond surrounded by green grass and some low-lying shrubs. In the background, a dense line of trees with autumn-colored foliage (browns, oranges, and yellows) stretches across the horizon. The sky is overcast and grey. On the right side of the frame, the bare branches of a tree are visible, partially obscuring the view. The text 'Prise de vue 7' is written in a bold, black, sans-serif font at the top center, and 'Photo 7' is written in a white, sans-serif font in the upper middle part of the image.
