

The map displays the 'CHAÎNE DES PUY'S' region, characterized by numerous hills and mountains. Key features include:

- Catchment Areas:** Two specific areas are highlighted with blue dashed lines and labeled: 'Captage du Puy Balmet' and 'Captage Chez Pierre'.
- Geographical Features:** The 'Forêt de Moze' is marked in green. Several lakes are shown in blue, and rivers are depicted in light blue.
- Topography:** The map uses contour lines to represent elevation, with peaks like 'Puy de Dôme' and 'Puy de Pariou' labeled.
- Infrastructure:** Roads and railways are shown as thin lines, and various towns and villages are marked with dots and labels.
