## situation

The map shows the Paris region with the Seine river and major roads. The project area is marked with a red circle and labeled 'Paris Métro extension'. The map also shows the locations of Paris, Nanterre, and St-Denis.

**vue aérienne**

An aerial photograph showing a large, irregularly shaped plot of land outlined in yellow. The plot is labeled 'terres topographiques effectives' in yellow text. The plot is adjacent to a residential area on the left, characterized by houses with red roofs and a road. To the right of the plot is a road with a yellow line, and further right is a body of water. The plot itself appears to be a mix of green fields and some bare earth.
